PROFESSIONAL SUMMARY

CSE undergraduate at BAIUST (CGPA 3.92/4.00) with a strong foundation in C/C++, Python and object-oriented programming, 210+ problems solved on Codeforces, and hands-on front-end and Figma UI design experience. Currently expanding into backend development with Django and PostgreSQL. Team leader of a 7th-place IUPC team and executive member of the university computer club. Seeking an internship or entry-level software development role.

EDUCATION

Bangladesh Army International University of Science & Technology (BAIUST) Expected Aug 2028
B.Sc. in Computer Science & Engineering — CGPA: 3.92 / 4.00 (after four semesters)

- Achieved a perfect 4.00 GPA in Year 2, Term 1.

Higher Secondary Certificate (HSC) 2022 — GPA 5.00 / 5.00

Secondary School Certificate (SSC) 2020 — GPA 5.00 / 5.00

TECHNICAL SKILLS

- **Programming & Design:** Python, C, C++, HTML, CSS, Figma (UI/UX Design)
- **Backend & Database:** Django, PostgreSQL (currently learning)
- **Concepts:** Object-Oriented Programming, File Handling, Data Structures & Algorithms, Competitive Programming
- **Tools:** Git, GitHub, Microsoft Office
- **Languages:** Bangla, English, Hindi

PROJECTS

Hospital Emergency Simulation (C++) github.com/Shruti121310/Hospital-Emergency-Simulation-CPP
• Developed a logic-driven simulation of a hospital emergency management system using object-oriented principles, resource allocation logic and file handling.

Hablu The Great – Figma UI Prototype CSE Fest BAIUST 2025
• Led a team of 3 to design a Figma-based educational website prototype, ranking in the Top 15 out of 50+ teams by enhancing navigation through user testing and clean UI design.

Amazon Clone (HTML5, CSS3) Personal Project
• Created an Amazon website clone using HTML5 and CSS3 to practice front-end development and layout design.

EXPERIENCE

Programming Intern — CodeAlpha Remote
• Completed assigned C++ programming tasks and published them with documentation on GitHub (github.com/Shruti121310/codealpha_tasks).
• Built console-based projects: Bank Account Management System, CGPA Calculator and Login Page System.

ACHIEVEMENTS

- 7th place, IUPC at BAIUST CSE Spring Fest (2026) — Team Leader.
- Top 15 (out of 50+ teams), Hackathon (Hablu The Great, UI Project), CSE Fest BAIUST 2025.
- Solved 210+ problems on Codeforces.
- 3rd place, ICT Quiz Competition.
- Best Female Performer, Typing Competition — Ramadan Tech Fest (typing speed: 45 WPM).

CERTIFICATIONS & ACTIVITIES

- Python Workshop — completed, with certificate (university Django internship prerequisite).
- Executive Member, BAIUST Computer Club (last academic semester) — contributed to and competed in club programmes including IUPC, ICT quiz and tech fest events.
